

**COMMITTEE ON ACCOUNTS, ENROLLMENT  
AND REVENUE ADMINISTRATION**

**November 14, 2006**

**Upon Recess of BMA**

Chairman Pinard called the meeting to order.

The Clerk called the roll.

Present: Aldermen Pinard, Thibault, Smith, DeVries, Long

Chairman Pinard advised that Ordinances are to be considered for consistency with the rules of the Board, and required laws, and requested the Clerk to make a presentation relative to the Ordinances:

“Amending the Building Code of the City of Manchester as adopted in Section 151.01 of the City of Manchester Code of Ordinances by repealing the 1993 BOCA National Plumbing code and adopting the 2000 edition of the International Plumbing Code as amended by the State of NH Board of Licensing and Regulation of Plumbers and with further amendments contained herein.”

“Amending Section 33.054 (B)(2)(Overtime Compensation/Comp Time) of the Code of Ordinances of the City of Manchester.”

“Amending Section 33.076(A), Special Leave of the Code of Ordinances of the City of Manchester.”

“Amending the Zoning Ordinance of the City of Manchester by adding language to 5.11 Table of Accessory Uses regarding the storage of unregistered automobiles.”

“Amending Chapter 117: Food Service Establishments, Section 117.19 Permit Fee, providing for increased fees.”

Deputy Clerk Normand advised that all of these Ordinances have been presented to the Board, have been referred to appropriate Committees, reported out as ought to pass and those Ordinances were enrolled earlier this evening. In our opinion, they are properly enrolled.

Alderman Thibault moved to advise that the Ordinances presented are properly enrolled.

Alderman DeVries stated if you are willing to separate out the third item, I will duly second the motion.

Chairman Pinard called for a vote on the motion to advise that the Ordinances, with the exception of 33.076(A) Special Leave, are properly enrolled. The motion carried with Alderman Long being duly recorded in opposition to 33.054 (B)(2) Overtime Compensation/Comp Time).

Solicitor Clark stated the third item is still before the Committee. The role of the Committee on Accounts and Enrollment is strictly to find whether the ordinances are properly enrolled or not. You either have to find it properly enrolled or not properly enrolled.

Alderman Smith stated the Solicitor is correct. All we can do is accept the ordinances as properly enrolled.

On motion of Alderman Thibault, duly seconded by Alderman DeVries it was voted to advise that Ordinance 33.076(A) Special Leave, was properly enrolled.

There being no further business, on motion of Alderman Smith, duly seconded by Alderman Long it was voted to adjourn.

A True Record. Attest.

Clerk of Committee
